EXPERIENCE FOR YOUR CASE

For more than 15 years, The Semrau Law Firm has fought zealously for our clients. Experience matters; it means having been there before – knowing about the obstacles ahead. The best result happens when the attorney knows the law, the judges, and the opponents.

LEADERS IN THE LAW

We are leaders in the field of Criminal Defense and Injury Litigation. The law is always changing, so we never stop learning and teaching other lawyers. Scott Semrau is a frequent seminar leader and a teacher at Chattahoochee Technical College. We typically log 3 times the required hours of legal training.

ACCESS TO YOUR LAWYER

Good lawyer/client communication is the foundation to a solid defense. An attorney must educate his client on the judicial process and on the strength of the case. We take the time to return all phone calls.

TRIAL LAWYERS

A trial lawyer means competent and capable in front of a judge or jury. A trial lawyer means having logged thousands of courtroom hours. The Semrau Law Firm brings that experience to every case.
